

Dear Friends,

We need your help with contacting schools to sponsor Creative Community Services (CCS) fund raisers.

Our fundraiser "I Have a Heart" is aimed at local schools. The homerooms compete against each other to see which one can raise the most money purchasing Valentine hearts that say "I Have A Heart" and will include the CCS name. The program begins at the beginning of February and ends on Valentines Day. The winning homeroom at each school receives a pizza party.

We are asking that anyone who has a contact person at a school to pass on their name and the school where they work, so that we can call them to see if they would help us next year. We really want to concentrate on getting our name on the schools calendar for next years events—and now is the time to do that. We also would like to have a school in DeKalb County sponsor CCS in a Walk-A-Thon, in September or October. The money raised from the "I Have a Heart" fundraiser and the Walk-A-Thon will go to all CCS programs where needed, to benefit our Children and Adults. Please email me at or call me at if you have a contact person. Thanks for all of your help and have a Great Day!
